**International Language & Culture Camp
Shenzhen, China
Summer: 2017**

International Partnerships in Education (IPIE.US) in cooperation with Hanbridge Mandarin are pleased to announce the 2017 International Language & Culture Camp in Shenzhen, China. The program is open to American and Chinese high school and university students.

The summer camp program consists of a 15-day on-campus immersion environment where the American and Chinese high school students will share equally in the camp experience. Students will live, learn, play, and participate in the cross-cultural activities together. An optional 3-day cultural tour of Beijing is available upon conclusion of the summer camp.

Each camp day will include foreign language instruction in the target language, educational cross-cultural lessons, and recreational activities designed to foster teamwork and trust. Instruction is provided by a dynamic international management team of certified and fully licensed American and Chinese educators. All camp activities are supported with the assistance of Chinese university students.
